- i) Provide transportation to and from the facility

2. The Clinical Site will:

- a) Provide clinical facilities for school students in accordance with agreement by the faculty of the school and designated Clinical Site staff.

- b) Retain full responsibility for the care of patients and maintain the quality of care without relying on student's clinical training activities for staffing purposes. Any service rendered by students is incidental to the educational purpose of the practice experience program.
 - c) Assign a staff representative as liaison between the Clinical Site and the school to orient students and to assist in scheduling
 - d) Make provision for orientation of students to the Clinical Site and permit use of space necessary for the students to perform their activities.
 - e) Provide a qualified RN or LVN preceptor who will provide immediate supervision of NA students. "Immediate supervision" means that a Registered Nurse or Licensed Vocational Nurse shall at all times be physically present with the NA students in accordance with state guidelines.
 - f) Retain the right to immediately return and dismiss from the Clinical Site any student whose behavior is such that it interferes with proper patient care or services or the smooth operation of the facility. Consultation between Clinical Site and school shall precede any such action.
 - g) Coordinate with school personnel to interview students for any jobs for which the student is qualified that are available on the student's completion of the program
 - h) Provide work-based learning experiences for students appropriate to each grade level, such as facility visits, guest speakers, presentations, career information, job shadowing, internships, externships, apprenticeships, and career mentoring
 - i) Support student activities such as clubs, Career and Technical Student Organizations, competitions and special initiatives
3. Representatives of the school and Clinical Site will meet at least annually to jointly review the use of the Clinical Site facilities.
 4. The school shall not discriminate in the assignment of students to this Clinical Site based on sex, race, color, creed, national origin, age, veteran's status or handicap where otherwise qualified.
 5. The Clinical Site assumes no liability for any injury, which may occur to students participating in the Program

This agreement will be governed by and construed in accordance with the laws of the State of Texas. The terms of this agreement shall be automatically renewed unless either party to the agreement shall notify the other in writing of its intention not to renew. This agreement may be terminated by either party for any reason with 90 days written notice given to the other party.

In Witness Whereof, this Agreement is entered into as of the date first written above.
