

WOODSON ISD P-TECH
PATHWAYS IN TECHNOLOGY
EARLY COLLEGE HIGH SCHOOL

RECRUITMENT PLAN WITH TIMELINE OF ACTIVITIES

Admission Policy: The P-TECH recruitment and enrollment processes shall identify, recruit, and enroll the subpopulations of at-risk students (as defined by PEIMS), including, but not limited to, students who are of limited English proficiency, students with disabilities, or students who have failed a state administered assessment. Enrollment decisions shall not be based on passing state assessment scores, discipline history, teacher recommendation, parent or student essays, minimum grade point average (GPA), or other criteria that create barriers for student enrollment. Woodson ISD’s P-TECH will do its best to identify, recruit, and enroll subpopulations (in addition to those who are at-risk as defined by PEIMS) that are historically under-represented in college courses (e.g., first generation college goers, students of low socioeconomic status, African American, Hispanic, and Native American).

Below is a table that lists all the action/event taking place, when they will be arranged, the location, the intended audience, required materials and/or resources needed, documentation for expected outcomes of the action/event, and the responsible party.

Action/Event	Date	Location	Intended Audience	Required Materials and/or Resources	Documentation For Expected Outcomes	Responsible Party
