

2026 – 2027 Designated – Needs Improvement Status Appeal Assurances

The CCRSM Designated – Needs Improvement Status Appeal application must be reviewed and submitted with an assurance document signed by the superintendent or designee.

By signing the Designated – Needs Improvement Status Appeal application assurance, the superintendent or designee assures that they:

- Understand the appeal will be reviewed and considered by the Texas Education Agency
- Understand that submission of an appeal does not guarantee a revision of designation status
- Understand that appeal decisions are final
- Guarantee all information included in the appeal is true and correct to the best of the superintendent's knowledge and belief
