Sunset Collegiate Academy will enable students to explore a wide range of career interests in the fields of public health or education. Curriculum in these two areas of focus will provide a foundation of knowledge on which to pursue a Bachelor's degree.

Students who opt to pursue the Associate of Applied Science track will have the opportunity to develop the skills and experience to establish a foundation upon which to pursue a bachelor's level degree in Public Health.

Students who pursue the education track will have the opportunity to develop the skills and experience to explore and engage with delivering high-quality education, acquire the communication, teamwork and problem-solving skills that are necessary for success in the 21st century classroom in the field of education.

An emphasis in these careers will equip students to excel in one of the following pathways:

- Associate of Arts transferrable to a Bachelor's degree in Early Childhood Education and Bilingual Education
- Associate of Applied Science transferrable to a Bachelor's degree in Public Health
